| Risk category | Re-KYC frequency |

|---|---|

| Low risk | Every 10 years |

| Medium risk | Every 8 years |

| High risk | Every 2 years |

Customers are notified **60 days** before re-KYC falls due. If re-KYC is not completed by the due date, transactions on the account may be restricted until it is done.

§ Accepted officially valid documents

Any one of the following is accepted as proof of identity and address: Aadhaar, passport, voter ID, driving licence, or NREGA job card. PAN is mandatory as a separate proof of identity for all loan accounts and cannot be substituted.

§ Updating your mobile number

A mobile number change is treated as a sensitive update and cannot be completed online end to end.

1. Submit the request through the mobile app, the customer portal, or a branch.
2. Verify with an OTP sent to the **existing registered mobile number**. If the existing number is no longer accessible, the update must be done in person at a branch with an original officially valid document.
3. The change takes effect within **2 working days**.

Only one mobile number change request is permitted in any 30 day period.

§ Updating your email address

Email updates can be completed fully online. An OTP is sent to the new email address and the change takes effect **immediately** on verification.

§ Updating your address

Submit a self-attested copy of a current officially valid document showing the new address, through the app, portal, or branch. Address updates are processed within **7 working days**. If the document is unclear or the name does not match account records, the request is rejected and the customer is notified with the reason.

****15 working days**.**
