

KYC and Account Detail Update Policy

Document ID: POL-KYC-02

Version: 1.4

Effective date: 15 June 2025

Owner: Compliance and Customer Operations

SYNTHETIC SAMPLE DATA. Written for a technical assignment. Not a real policy of any company.

1. Periodic re-KYC

Customers must complete periodic re-KYC according to their risk category.

Risk category	Re-KYC frequency
Low risk	Every 10 years
Medium risk	Every 8 years
High risk	Every 2 years

Customers are notified 60 days before re-KYC falls due. If it is not completed by the due date, transactions on the account may be restricted until it is.

2. Accepted officially valid documents

Any one of the following is accepted as proof of identity and address: Aadhaar, passport, voter ID, driving licence, or NREGA job card. PAN is mandatory as a separate proof of identity for all loan accounts and cannot be substituted.

3. Updating your mobile number

A mobile number change is treated as a sensitive update and cannot be completed online from end to end.

- Submit the request through the mobile app, the customer portal, or a branch.
- Verify with an OTP sent to the existing registered mobile number.
- If the existing number is no longer accessible, the update must be done in person at a branch with an original officially valid document.

The change takes effect within 2 working days. Only one mobile number change request is permitted in any 30 day period.

4. Updating your email address

Email updates can be completed fully online. An OTP is sent to the new email address and the change takes effect immediately on verification.

5. Updating your address

Submit a self-attested copy of a current officially valid document showing the new address, through the app, the portal, or a branch. Address updates are processed within 7 working days. If the document is unclear or the name does not match account records, the request is rejected and the customer is notified with the reason.

6. Updating your name or date of birth

Name and date of birth corrections require a branch visit with original supporting documents such as a gazette notification, marriage certificate, or court order. These requests are reviewed by the Compliance team and take up to 15 working days.

7. Updating bank account details

Requires a cancelled cheque or a bank statement from the last 3 months showing the account holder name. Processed within 5 working days after a penny-drop verification of the account.
